**venue** magazine – An unsurpassed single resource for venue operators, owners and specifiers. The key decision makers will now have a publication that addresses all their needs.

> With a firm focus on interiors, lighting and audiovisual, **venue** magazine will report on the latest products, applications of use and technologies employed.

Each issue will include:

- > A showcase of innovation, experimentation and excellence in new and refurbished venues
- > Interviews with influential designers, consultants, project manager, club and venue owners/management
- > Venue profiles
- > Practical and technical expert advice
- > New product information
- > Documentation of how concepts reach realisation

> An unsurpassed single resource for venue specifiers and financial decision makers...

> Published every two months on art paper bound in a prestigious perfect bound format, **venue** magazine will have the look and feel to attract the most discerning of reader.

**venue** magazine utilises the experience and knowledge of leading experts in their fields, to contribute and provide insight. This ensures **venue** magazine has the highest levels of editorial integrity.

> Controlled Circulation

**venue** magazine will be sent free of charge to decision makers in the following sectors:

nightclubs & bars > convention & conference centres > clubs, pubs & hotels > project managers > interior designers lighting consultants > architects > sound & video contractors entertainment venues > manufacturers & distributors
