STANDARDS AUSTRALIA/STANDARDS NEW ZEALAND**

Committee EL-036 - In-service Testing of Electrical Equipment

The committee responsible for the issue of this draft comprised representatives of organizations interested in the subject matter of the proposed Standard.

Comments are invited on the technical content and wording. Editorial matters (i.e. spelling, punctuation, grammar, formatting etc.) will be corrected before final publication.

The preferred method for submission of comment is to download the MS Word comment form found at:

<http://www.standards.com.au/catalogue/misc/Public%20Comment%20Form.doc>

This form also includes instructions and examples of comment submission.

Please provide supporting reasons and suggested wording for each comment submitted. Where you consider that specific content is too simplistic, too complex or too detailed, please provide an alternative.

If the draft is acceptable without change, an acknowledgement to that effect would be appreciated.

When completing the comment form, ensure that the number of this Draft, your name and organization (if applicable) is recorded. Please place relevant clause numbers beside each comment.

When completed, the form should be returned to the Project Manager, Nelson Procter, via email to nelson.procter@standards.co.nz

The co-ordination of the requirements of this draft with those of related Standards is of particular importance and you are invited to point out any areas where this may be necessary.

If email facilities are not available, the comment forms should be posted to
